

Table Component Styling & Layout

MheePDF includes a powerful Table component that automates column sizing, cell height calculation, background color styling, borders, cell padding, and alignment.

ID	Description	Unit Price	Total
1001	Developer Laptop 16-inch	\$1,499.00	\$1,499.00
1002	Ergonomic Office Chair (Alternate row color)	\$299.50	\$599.00
1003	Custom Yellow Highlighted Cell	\$45.00	\$45.00
1004	UltraWide 34-inch USB-C Monitor	\$449.00	\$449.00
1005	Mechanical Keyboard & Mouse Combo	\$120.00	\$240.00

The table automatically splits across pages if it exceeds the page height, and when `repeatHeader` is enabled (default: `true`), the header columns are automatically drawn at the top of each page.
